

**POSTPONE LOAN PAYMENT FORM**

Please extend the loan(s) below one month past present maturity so that I may postpone the payment(s) listed below. I have either enclosed a check or designated the account from which you are to deduct the postponement fee(s). I understand that doing so will not affect the payment record of my account since the postponed payment will be added to the end of my loan term. Interest will continue to be calculated on the outstanding balance. I also understand that Mortgage or home equity payments may not be postponed.
